

losetup

Set up and control loop devices.

- List loop devices with detailed info:

```
losetup -a
```

- Attach a file to a given loop device:

```
sudo losetup /dev/{{loop}} /{{path/to/file}}
```

- Detach all loop devices:

```
sudo losetup -D
```

- Detach a given loop device:

```
sudo losetup -d /dev/{{loop}}
```
