

most

Open one or several files for interactive reading, allowing scrolling and search.

- Open a file:

```
most {{path/to/file}}
```

- Open several files:

```
most {{path/to/file1}} {{path/to/file2}}
```

- Open a file at the first occurrence of "string":

```
most {{file}} +/{{string}}
```

- Move through opened files:

```
:0 n
```

- Jump to the 100th line:

```
{{100}}j
```

- Edit current file:

```
e
```

- Split the current window in half:

```
<CTRL-x> o
```

- Exit:

```
Q
```
