gifsicle

Create GIFs.

- Make a GIF animation with gifsicle:

```
gifsicle --delay={{10}} --loop *.gif > {{anim.gif}}
```

- Extract frames from an animation:

```
gifsicle {{anim.gif}} '#0' > {{firstframe.gif}}
```

- You can also edit animations by replacing, deleting, or inserting frames:

```
gifsicle -b {{anim.gif}} --replace '#0' {{new.gif}}
```
