sha512sum

Calculate SHA512 cryptographic checksums.

- Calculate the SHA512 checksum for a file:

```
sha512sum {{filename1}}
```

- Calculate SHA512 checksums for multiple files:

```
sha512sum {{filename1}} {{filename2}}
```

- Read a file of SHA512 sums and verify all files have matching checksums:

```
sha512sum -c {{filename.sha512}}
```
