sha384sum

Calculate SHA384 cryptographic checksums.

- Calculate the SHA384 checksum for a file:

sha384sum {{filename1}}

- Calculate SHA384 checksums for multiple files:

sha384sum {{filename1}} {{filename2}}

- Read a file of SHA384 sums and verify all files have matching checksums:

sha384sum -c {{filename.sha384}}
