irssi

> Text based IRC client.

- Open irssi and connect to a server with a nickname:

`irssi -n {{nickname}} -c {{server.name.com}}`

- Open irssi and connect with a specific server on a given port:

`irssi -c {{server.name.com}} -p {{port}}`

- View the help:

`irssi --help`

- Join a channel:

`/join {{#channelname}}`

- Change active window (starts at 1):

`/win {{window_number}}`

- Exit the application cleanly and quitting any server(s):

`/quit`
