tmux

Multiplex several virtual consoles.

- Start a new tmux session:

```
tmux
```

- Start a new named tmux session:

```
tmux new -s {{name}}
```

- List sessions:

```
tmux ls
```

- Attach to a session:

```
tmux a
```

- Attach to a named session:

```
tmux a -t {{name}}
```

- Detach from session:

```
Ctrl + B, D
```

- Kill session:

```
tmux kill-session -t {{name}}
```
